

Joke's by Joe:

This wise old farmer said to me:  
When you plant corn...You get corn  
I don't get it!

I went on a trip to China for three days  
I never got there

I have a friend Eddy...He's a botanist  
Not really sure what that means...I don't think Eddy does either

I had a girlfriend...She wouldn't stop talking  
We had to break up...I bought earplugs  
That didn't work so we finally broke up

Her name was Edwina  
We finally got married...Now we don't talk at all

I was in a band once...It was a Klezmer Heavy Metal Punk band  
We were the Himeys...I was the lead singer  
I still don't know what the words meant  
The next Day Mossad was at my door...I told them I don't know anything about it  
I was just filling in for my friend Eddy

I lived as a gypsy for a bunch of years...I lived from here to there...And there to here  
I just don't get it  
And here to there from there to here...That was the one thing I didn't get  
So I dropped out...Now I'm just a gypsy wanna-be

I was having dinner with this woman and she said there really is only one great  
comedian...I asked her his name and she said I don't know  
I think his name is Eddy

I went to the beach once...I wasn't sure it was the beach  
So I called my buddy Eddy, he wasn't home, so I went to leave a message but his  
answer machine was filled up with my old girl friends' messages

I want to be Eddy

I can make a short story long...sure you want to listen?  
Most people don't want to hear it

My buddy Eddy said I have a keen sense of the obvious  
I don't get it!

My buddy said to me...I want to have a loving disbarred relationship with someone...

I think you should have a relationship with an un-disbarred  
A female lawyer who agrees with me

Fish eat fish – That's why they taste like fish  
So if they ate junk food, they'd probably taste like pizza

I bought a sail boat...I brought it back  
I thought the wind came was included

I met an alien and he said are you one of us?  
How do you know?  
I can just tell!

I went on a hike...no it ws just a long walk

I met some aliens and they said: Steve you're coming with us  
I can't go with you guys, I have an appointment with my dentist at 10:30 tomorrow  
OK, we'll come and get you next week

Whatever I say, is it funny?  
Of course it is

If I'm funny...was it worth it?

I had a step-sister and she never wanted to go dancing, but one night we got her out  
but she couldn't dance rock 'n roll...All she did was step-dancing

There was a dog in my neighborhood that I just called Eddy, so everyone just called him Eddy...The owner's showed up one day and they said..."Come here Eddy"  
How could that be...I don't think that was his real name

I went fishing with my buddy Eddy...He's not a dog, he's a person  
We fished all day...We caught nothing...So we went home and Eddy ate the bait

I live in a town and the fire department is called Rescue 5  
What if there are 10 people? No, we can only rescue 5

I have a friend, his name is Eddy  
He's got a really great job with the government  
He studies days, making sure the day it is...is the day it is!

I was upset about the government and fled to Mexico and tried to get a job  
Told I couldn't work here, I had no papers  
I had gotten to the border and the guy said you have any papers?  
I had some rolling papers and he let me in

I had a girlfriend who had a really nice garden and all she grew was pappers

My friend said, why'd she only grow peppers  
I don't know

I have a brother, his name is Edd  
I don't think he's my brother cause I have no mother

Dream, Dream, Dream (Everly Brothers) Remember that song  
All you have to do is scream, scream, scream...Neighbor kept calling the police

I took a Yoga class  
There was a                      in the hour I was there  
They tied me into knots  
It took me a week to get unraveled...I'm not going back!

Pussy driven and high most of the time  
I don't get it

I bought a condo - cheap- it only had a kitchen and a bath  
I didn't know where to sleep
